OUTLOOKS New Issue #187 Online Now!!

Grammy Award winning artist Nelly Furtado is back, bringing fresh hits - and classics - to her fans! OUTLOOKS chats with the superstar about her new greatest hits CD, the story behind her gay-inspired dance hit "Night Is Young", and catching "Bieber Fever". Read Part One of Randall Shirley's Top 50 Greatest Gay Travel Experiences, and see which one of these choice destinations and events you should hit next. We examine the country of Uganda, and how their anti-homosexuality bill could effect you closer to home. Also; go from Mild to Wild in Fort Lauderdale, see our list of top wines under \$20, spruce up your home with the latest winter-themed décor, and more in this Double Issue!

Be sure to visit the [Out & About Online Gallery](#) to see event pictures from across Canada, and check out the [DYW Gallery](#) to see this month's hottie: Trevor Adams.
